THE MAGIC CASTLE, the clubhouse of the Academy of Magical Arts, is private, allowing entrance only to members and their guests, or through courtesy invitations which are available to magicians visiting from out of the United States.

A typical evening—if there even is such a thing here—features magic shows that range from miracles right under your nose to full stage illusions that stun an entire room. The Castle is full of rare memorabilia and magnificent posters, so there's a lot to see. There's also a critically acclaimed full-service dining room and a number of unique bars, each with its own personality, making it easy to find just the perfect spot for whatever mood you're in.

Don't be surprised to look over your shoulder and find somebody performing a minor miracle. You'll soon understand why your visit will be one of the most amazing evenings you've ever experienced.
