Ammon Tenney is a wildlife artist with a deep passion for the natural world, working primarily in oil paints. With a strong connection to the outdoors, Ammon seeks to capture the mood and attitude of wildlife, as well as the raw, unfiltered beauty of nature. His dedication to honing his craft and his love for wildlife and the outdoors have been driving forces in his artistic journey.

As a hunter and sportsman, Ammon finds inspiration through time spent in the outdoors alone or with family and friends. This unique perspective allows him to bring an authenticity and depth to his artwork that reflects his genuine connection to the environment.

In the past year, Ammon has made the leap to full-time artist, pouring his time and energy into bringing his visions of nature to life through his paintings. With a keen eye for detail and a deep respect for wildlife, his work is a celebration of the untamed beauty that surrounds us.
